and manufacturing business of S. A. have general charge of the same. The Hon. Chester B. McLaughlin, of

Port Henry, N. Y., who has been redesignated as justice of the supreme court, appelate division, third department, New York city, his term of office to expire in 1909, is a graduate of the university of Vermont, Burlington, in the class of 1879.

Bert Marshall and Lucy Norten Startised in a large measure to abuse of the well, whose much tangled matrimonial relations resulted in their arrest recentives. To avoid all danger, use only Dr. ly, on account of the technical questions involved were not tried at the receivance and invigorators. Guaranteed preme court for analysis.

#### Pet Deer Found Dead.

The doe that has been an immate of the corral at the Vermont Soldiers' Home in Bennington for the past 12 years was found dead inside the inclosure yesterday. The doe was somethin of a curiosity for the reason that it an nually grew two imperfect borns of sufficient length to entitle the animal to the privilege of being shot were it at large during the open season. The death of the doe will mean that

the little deer park at the home will soon be empty for Superintendent Hau-non has decided to have the Isme buck, that has been the doe's companion for a number of years, shot as soon as a per mit can be secured from Fish and Game Commissioner Thomas The buck suddenly became cross a few days ago and George Folsom, one of the old veterans, who has charge of the deer, is still in the hospital recovering from injuries received from the buck's horns and hoofs. Folsom went into the corral to feed the deer and was attacked by the buck which butted the man against the fence and held him there until his calls for assistance were answered. Had the Lost by Holding.

Middlebury, Nov. 27.—Many of the been killed.

buck been in possession of four good legs the man would undoubtedly have been killed.

#### Brattlebore Man Receives Patent.

Dr. George K. Roberts of Brattleboro has received notice of the granting of a sweeping patent upon an improved type of artificial limb. The claims for this patent were filed October 9. The official action is especially pleasing in

accept \$12 a ton for the same hay.

One of the leading drovers of this section recently bought 1,000 lambs for market, holding them for prices to advance. He was much surprised to learn that the wise had followed a rigid continuation of the other than the state of the surprised to learn or can be detached without affecting on Kenneth Nicholson, this city.
